- This **Service Agreement** is issued exclusively to me with respect to the **Vehicle** identified on the **Declaration Page**.
- In order to keep this **Service Agreement** in effect, I must perform the oil changes and at regular intervals as required by the section **WHAT YOU MUST DO TO KEEP YOUR SERVICE AGREEMENT IN EFFECT**.

VEHICLE SERVICE AGREEMENT TERMS & CONDITIONS

This **Service Agreement** is subject to the following provisions:

1. SERVICE AGREEMENT PERIOD

Coverage under this **Service Agreement** begins on the thirty-first (31st) day after the **Service Agreement** sale date and one thousand (1,000) miles from the odometer reading at the time of the sale, and will expire according to time and/or mileage of the **Service Agreement** selected, whichever occurs first, as shown on **Your Declaration Page**. A used **Vehicle Service Agreement** expiration is measured from the **Service Agreement** purchase date and the odometer mileage at **Service Agreement** purchase date.

2. FAILURE OF COVERED PARTS AND LABOR

We will pay on behalf of or reimburse **You** for the reasonable costs to repair or replace any **Failure** of a part and labor included in **Your Coverage**. Replacement parts may be new, remanufactured or replacement parts of like kind and quality. Sales tax will be authorized for covered **Failures** only when required by the applicable state where the repair is taking place.

3. TERRITORY

This **Service Agreement** is limited to **Failures**, which occur, and repairs that are made, within the United States of America (excluding U.S. territories and possessions) and Canada.

4. LIMIT OF LIABILITY

The aggregate limit of liability for all benefits paid or payable during the term of this **Service Agreement** shall not exceed the actual cash value of the **Vehicle** according to current National Auto Dealers Association standards for the life of the **Service Agreement**.

5. OUR RIGHT TO RECOVERY

If **We** pay anything under this **Service Agreement** and **You** have the right to recover from another party, **Your** rights will become **Our**

rights up to the amount **We** paid and **You** will do whatever is necessary to enable **Us** to enforce these rights.

6. **MAINTENANCE REQUIREMENTS**

You must maintain **Your Vehicle** according to the manufacturer's recommendations as outlined in the owner's manual. **Your** owner's manual has separate required maintenance schedules for "normal" and "more severe" operating conditions. **You** are required to follow the maintenance schedule that applies to **Your** conditions. **You** must be sure only the proper grade lubricants and coolants, as recommended by the manufacturer, are used in **Your Vehicle**. It is necessary for **You** to retain verifiable receipts for all parts and materials necessary to perform the required maintenance. If necessary, this documentation will be verified by the **Administrator**.

7. **DEDUCTIBLE**

In the event of a **Failure** covered by this **Service Agreement**, **You** will be required to pay a one hundred dollar (\$100.00) **Deductible** per component failure unless otherwise stated in this **Service Agreement**. Any controversy or claim arising out of or relating to this **Service Agreement**, or breach thereof, will be settled by binding arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association. A judgment upon the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. The parties specifically agree to the binding nature of the arbitration.

OTHER IMPORTANT SERVICE AGREEMENT PROVISIONS

- If the original manufacturer's warranty is responsible for any of the parts which are also covered under this **Service Agreement**, **You** must first seek repair or replacement of such parts under the aforementioned manufacturer's warranty.
- If any authorized repairs under this **Service Agreement** are performed by a repair facility approved by the **Administrator**, **You**

NO CLAIMS WILL BE PAID WITHOUT PRIOR AUTHORIZATION

must transfer and assign to **Us** all rights **You** may have against such facility, including **Your** rights under any repairer's guaranty, and do nothing to prejudice **Our** ability to enforce such rights. As one remedy to enforce such rights, **We** may require **You** to take the **Vehicle** back to such facility for follow-up repairs.

- If **You** allow any person to perform repairs to a covered part without the approval of the **Administrator**, **You** must first exhaust all of **Your** rights and remedies against such person with respect to such repairs if they are performed in a faulty manner or otherwise cause a subsequent **Failure** to occur.

WHAT THIS SERVICE AGREEMENT COVERS

This **Service Agreement** covers **Failures** to (1) All internally lubricated parts of the **Vehicle's** engine, including pistons, piston rings, piston pins, crank shaft and main bearings, connecting rods and rod bearing, camshaft and camshaft bearings, timing chain and timing gears (Does not include coverage to the timing belt if equipped or its related components as these items are listed as scheduled maintenance items by your vehicle's manufacturer), timing chain tensioners and retainers, intake and exhaust valves, valve springs, push rods, rocker arms, hydraulic lifters and rocker arm shafts, and (2) the engine block and cylinder heads provided the **Failure** of the engine block or cylinder heads is caused by the **Failure** of a part listed in (1) above (does not include any part other than what is supplied in Long Block Assembly).

ONLY THOSE PARTS LISTED ABOVE ARE COVERED PARTS. ANY PARTS NOT LISTED ABOVE ARE NOT COVERED BY THIS SERVICE AGREEMENT.

- Subject to the exclusions listed in the section **WHAT THIS SERVICE AGREEMENT DOES NOT COVER** and **Your** compliance with all of the conditions set forth in the section **WHAT YOU MUST DO TO KEEP THIS SERVICE AGREEMENT IN EFFECT**. In the event of a **Failure** of a covered part, **We** will either (1) repair the covered part, or (2) replace the covered part with a new or remanufactured part of like kind and quality, all at no charge to **You**. Such payment shall be limited to thirty dollars (\$30.00) for each eight (8) labor hours, or a portion thereof, of applicable labor time necessary to complete the repair, up to a maximum of one hundred fifty dollars (\$150.00) per occurrence. This **Coverage** does not apply to time waiting for parts or other delays beyond the control of the repair facility. TOWING AND ROAD SERVICE: We will, in the event of a **Failure** covered by this **Service Agreement**, pay or reimburse **You** for reasonable related towing charges not to exceed fifty dollars (\$50.00) per occurrence, actually incurred to tow **Your Vehicle** to an authorized, licensed repair facility (except where prohibited by law).

TRAVEL EXPENSES: We will, in the event of a **Failure** covered by this **Service Agreement** occurring more than one hundred (100) miles from **Your** home, reimburse **You** up to seventy five dollars (\$75.00) per day for up to three (3) consecutive days for receipted motel/restaurant expenses (except where prohibited by law). The date of **Failure** will be considered the first day of the three (3) day maximum period.

WHAT YOU MUST DO TO KEEP THIS SERVICE AGREEMENT IN EFFECT

As a condition precedent to the obligation of **Administrator** to repair or replace covered parts or components, the **Service Agreement** holder shall have complied with all Terms and Conditions of the **Service Agreement**, including specifically, but without limitation, the requirements for maintaining the **Vehicle**.

NO CLAIMS WILL BE PAID WITHOUT PRIOR AUTHORIZATION

1. **You** are responsible for maintaining **Your Vehicle** according to the Manufacturer's recommendations and guidelines as outlined in the **Vehicle Owner's Manual**.

Most Manufacturers have separate required maintenance schedules for "normal" and "more severe" operating conditions. Most vehicles today are operated under the "more severe" conditions, which require more frequent maintenance, including shorter three thousand (3,000) miles oil and filter changes and transmission fluid changes. All operating conditions require coolant changes at thirty-thousand (30,000) miles. Other maintenance requirements are listed in **Your** owner's manual.

2. **Be sure only the proper high quality grade of lubricants and coolants as recommended by the Manufacturer are used in Your Vehicle.**
3. This Service Agreement does not cover damage caused by inadequate fluid levels. Check **Your** fluid every three hundred (300) miles or when refueling.
4. **You** are responsible for taking immediate corrective action to repair, at **Your** expense, engine lubricant leaks and engine coolant leaks discovered in the course of any oil change or at any other time.
5. **You** must refrain from altering, tampering with, or replacing the Vehicle Identification Number (VIN) or the odometer of **Your Vehicle**. If for any reason the odometer fails to work as intended, **You** must immediately have it repaired at **Your** expense.

Keep all Your Maintenance Receipts and Repair Orders – Proof of proper maintenance may be required for certain repairs under this **Service Agreement**.

If **You** fail to perform any of the above conditions, this **Service Agreement** shall be null and void.

WHAT TO DO IN THE EVENT OF A FAILURE

1. Prevent Further Damage – **You** should use all reasonable means and precautions to protect **Your Vehicle** from further damage. This

- Service Agreement** will not cover damage caused by not securing a timely repair of the failed component.
2. If **Your Vehicle** breaks down, return to the issuing dealer during normal service department hours. If this is not possible, take **Your Vehicle** to the licensed repair facility of **Your** choice. Instruct the repair facility that they must obtain an authorization number from the **Administrator** prior to proceeding with the repairs. The amount authorized is the maximum that will be paid. Any additional amounts need prior approval.
 3. In some cases, **You** may be required to authorize the repair facility to inspect or tear down **Your Vehicle** to determine the cause of **Failure** and cost of the repair. **You** will be responsible for these charges if the **Failure** is not covered by this **Service Agreement**. **We** reserve the right to require an inspection of **Your Vehicle** prior to any repair being performed. **We** reserve the right to move **Your** covered **Vehicle** to another repair facility.
 4. After the **Administrator** has been contacted, review with the repair facility the components that will be covered by this **Service Agreement**.
 5. **We** will reimburse the repair facility or **You** for the cost of authorized repairs performed on **Your Vehicle**, less any applicable **Deductible**. All repair orders and necessary documentation **must** be submitted to **Us** within thirty (30) days by **You** or the repair facility to qualify for payment.
 6. State Laws and Administrative Codes may supersede any of the provision herein.
 7. If **You** have financed the purchase of the **Service Agreement** and there is an outstanding balance due and the claim amount is larger than the amount **You** have paid, the outstanding balance may be deducted from the authorized claim payment for customers in the following states: AR, CO, DE, D.C., ID, IN, KS, KY, ME, MA, MI, MS, MT, NJ, OH, PA, RI, SD, TN, and WV.

REPAIR FACILITY GUIDELINES FOR CLAIMS HANDLING

Follow these steps when handling a claim:

NO CLAIMS WILL BE PAID WITHOUT PRIOR AUTHORIZATION

1. Advise the **Service Agreement** holder that evaluation of a **Failure** does not mean that the repair is covered under this **Service Agreement**. All covered repairs must receive prior authorization from the **Administrator**.
2. Have the **Service Agreement** holder authorize inspection/tear down of the **Vehicle** to determine the cause of the **Failure** and cost to repair. Save all components, including fluids and filters, should the **Administrator** require an outside inspection. Notify the **Service Agreement** holder that the cost of tear down will not be paid if it is determined that the **Failure** is not covered under this **Service Agreement**.
3. Determine the cause of **Failure**, repair required and the cost of the repair(s).
4. Contact the **Administrator's** Claim Department at 888-802-8217 to get an authorization to proceed with the claim. Be prepared with the following information when placing the call:
 - a) Customer's Name and **Service Agreement** Number.
 - b) Cause of **Failure** and recommended repair.
 - c) Cost of repair(s).
5. A claims advisor will verify **Coverage** and do one of the following:
 - a) Approve Claim – if approved, the repair facility will be given an authorization number to be recorded on the repair order. The authorized amount is the maximum that will be paid. Additional amounts must receive prior approval.
 - b) Require Additional Evaluation, Inspection or Tear Down – the **Administrator** may require an inspection prior to the repair performed. If a tear down is required to determine cause of **Failure**, the **Service Agreement** holder must authorize same. Notify the **Service Agreement** holder that if the repair is not covered, then the **Service Agreement** holder will be responsible for cost of the tear down. The repair facility should save all the components requiring inspection, including fluids and filters. The claims advisor will arrange for the inspection. If the inspection is not made within forty-eight (48) hours, contact the claims advisor.
 - c) Deny the claim and provide the reason for the denial.

6. Review the **Administrator's** findings with the **Service Agreement** holder as well as what will be covered by the **Service Agreement** and what portion of the repair(s), if any, will not be covered.
7. Obtain the **Service Agreement** holder's authorization to complete the repair(s). All repair orders must have the **Service Agreement** holder's signature to qualify for payment.
8. Submit the repair order(s) that must contain the **Service Agreement** number, authorization number and authorized amount to the **Administrator** within thirty (30) days to the following address:

Palmer Administrative Services, Inc.
Drawer 223
Allenhurst, NJ 07711
Claims Number: 888-802-8217
